I am an enthusiastic Multimedia and Graphic Arts graduate with a passion for user- centered design. I have 3 years of practical experience as a graphic designer in a print shop, combined with a 4 months internship at a reputable branding company. I am currently enhancing my skills through an online UI/UX design course, looking forward to transitioning to a position in the field. I am a diligent, creative and dedicated individual, always willing to provide engaging design solutions.

EXPERIENCE

**Sept 2023
Dec 2023**

Internship - Design2Brand

During University, I did my internship at Design2Brand for 4 months. It is a quite big and well recognized company in Cyprus and deals with the whole range of branding. There I was involved in logo and packaging design, as well as UI/UX design and animation.

**Jun 2020
Jun 2023**

Graphic Designer - Print it

Working at Print it has given me the opportunity to develop my skills, my creativity and to meet deadlines with clients. As a graphic designer, my job was to design logos, social media posts and create t-shirt designs.
